

## How does it work?

Love Lillington provides help to people who are referred to us by professionals working in the community.

So, if you encounter someone through your work who can't afford to pay for an essential item, or who needs a helping hand with something, we will try our best to help.

Recipients must live in Lillington and they must be in need, but beyond that we will consider all requests.

**“If you let us know the need, we will try to help.”**

Love Lillington provides small grants to people in need to cover the cost of essential items.

Recent requests have included carpet, a bed, fencing and a fridge.

If you let us know what is needed, if funds allow, we will cover the cost. If it is for a particular item (such as a fridge) we will usually arrange the purchase and delivery.

If you are aware of a need, e-mail

with details of what is needed and your name and contact number and we will get in touch to see if we can help.

Alongside providing financial support, Love Lillington also gives practical support and we have a team of people ready to help.

It could be clearing an overgrown garden, decorating a flat when a new mum and baby have just moved in or helping to fill in forms. The possibilities are endless. We won't be able to do everything, but we'll do what we can.
